EMPOWERING
people with disabilities

Caleb Hitchcock, 2015 Give a Kid a Lift recipient

2015 Highlights

MISSION

We provide services that foster inclusion, independence and recreation for individuals with disabilities and medical conditions.

CEO Message

In 2015, we celebrated many milestones including a 50th Anniversary at Easter Seals Camp Horizon, the 40th Anniversary at Easter Seals McQueen Residence, and the launch of a new event in partnership with the Children's Hospital Aid Society called *Woman2Warrior* in Calgary.

Construction of the second dormitory at Easter Seals Camp Horizon finished just in-time for our annual Christmas Camp where 59 adults with disabilities had the chance to experience the magic of the holiday season including a special visit from Santa and Mrs. Claus.

It's incredible to think that over 50 years ago, a small group of volunteers with the Kinsmen Club of Calgary were looking for somewhere to build a specialized camp for kids in the foothills of Rocky Mountains; over 40 years ago the first group home for people with physical disabilities in Canada opened its doors; and how many lives have been changed because of the generosity and dedication of our staff, volunteers, donors, community partners and supporters who have made a difference.

2015 also brought a season of economic change – the province suffered a major downturn and many of our long-term corporate and individual friends, supporters and event participants have been impacted negatively. We pledge to strive

to continue to provide service to those who need it and trust that others will come along to make it financially viable to do so until we have weathered this recession.

We also lost a champion in 2015 with the passing of our Honorary Chairman, JC Anderson. He lived a long, passionate and wonderful life and we consider ourselves very privileged to have had his generous support to redevelop our camp. His legacy will live on and be honoured through the joy experienced by the campers in the beautiful facilities his leadership has enabled and through his annual golf tournament to continue the vision he had for Easter Seals.

We are "better together" and we look forward to 2016 with deep appreciation for all of the staff, volunteers, Board members and sponsors, donors and supporters who are determined to ensure we continue to inspire potential, build community and enrich the lives of the Albertans with disabilities and medical conditions. Thank you from the bottom of my heart to all of you. The evidence of our success lies in the smiles of the campers, clients and families we serve.

Programs

The **Easter Seals Equipment and Support Services Program (ESS)** is a core service of the organization providing individuals of all ages with vital equipment needed to enhance mobility and provide independence and community integration. We were able to provide clients with 216 pieces of equipment including power wheelchairs, scooters, hospital beds, lift assist chairs, porch lifts, and stair lifts at a cost of \$460,100. Eighty-eight of those items were recycled at a cost of \$45,615

resulting in a cost savings of more than \$288,719.

The **Give a Kid a Lift Program** entered its fifth year. The Hitchcock family received an elevator in their home for their six-year-old son Caleb through the Give a Kid a Lift program. Caleb was born with a condition called "Polymicrogyria", an atypical brain malformation which causes Caleb to have multiple types of seizures and he requires a

wheelchair for mobility. Now Caleb can access all of the levels of his home safely thanks to our community partners: Canwest Elevator & Lifts, Garaventa Lifts, Manson Construction and Rewind Custom Homes and Renovations.

Easter Seals McQueen Residence continues to be the home of nine adults with physical disabilities in Edmonton. Plans for a newly renovated kitchen are still in the works and we are actively fundraising.

Easter Seals Camp Horizon saw hundreds of familiar camper faces as well as many new ones. Société Camp Liberté Society – Canadian Dermatology Association and Camp Everest South – Pediatric Neurosurgery Alberta Children's Hospital joined us as new partner organizations. For the first time we hosted youth aged 7 – 17 who have been a part of the Alberta's Children's Hospital Neurosurgery department. We also hosted Camp Liberté, a specialized camp program for campers who have dermatological conditions.

The **Phyllis Davidson Scholarship Program** offers post-secondary academic scholarships to students living with physical disabilities. The scholarship was created in loving memory of Phyllis Davidson and helps ease the financial responsibility of post-secondary schooling.

Eleven scholarship recipients are pursuing various studies including community rehabilitation, psychology, political science, natural sciences, and communications and human resources.

Our **Speakers in Schools Program** was delivered to 1,537 students in 23 different schools and venues. This program brings people with physical disabilities into Alberta High Schools to speak to grade 11 students about the importance of staying in school, overcoming adversity and how to interact with people who have a disability. Students come away with a greater understanding and compassion for everyone living in their community.

Easter Seals Youth Ambassadors

Every year our organization chooses two ambassadors – one for Northern Alberta and one for Southern Alberta to tell our story at events and help build awareness from a personal point of view on the difference Easter Seals is making in people's lives every day.

In 2015, we were very well represented by Alessandro Simpatico and Nicole Wuetherick who attended dozens of events with donors, volunteers, fundraising participants and media partners, and did a stellar job of putting a face to the services Easter Seals provides.

2015 Financial Statements

Independent Auditor's Report

February 1, 2016, Edmonton, Alberta

To the Directors of
Easter Seals Alberta Society:

The accompanying summary financial statements, which comprise the summary statement of financial position as at October 31, 2015, and the summary results from operations for the year then ended, are derived from the audited financial statements of the Easter Seals Alberta Society for the year ended October 31, 2015. We expressed an unmodified audit opinion on those financial statements in our report dated February 1, 2016.

The summary financial statements do not contain all the disclosures required by the Accounting Standards for Not-for-Profit Organizations. Reading the summary financial statements, therefore, is not a substitute for reading the audited financial statements of Easter Seals Alberta Society.

Management's Responsibility for the Summary Financial Statements

Management is responsible for the preparation of a summary of the audited financial statements on the basis described in Note 1.

Auditor's Responsibility

Our responsibility is to express an opinion on the summary financial statements based on our procedures, which were conducted in accordance with Canadian Auditing Standard (CAS) 810, "Engagements to Report on Summary Financial Statements."

Opinion

In our opinion, the summary financial statements derived from the audited financial statements of Easter Seals Alberta Society for the year ended October 31, 2015 are a fair summary of those financial statements, on the basis described in Note 1.
