SUSPENSION OF THE HORIZON HOWLER (PREVIOUSLY FALL SLEEPOVER) AT EASTER SEALS CAMP HORIZON

Dear Campers and Families of Easter Seals Camp Horizon,

As we continue to watch the COVID-19 pandemic unfold and develop, we are downhearted to have to announce the suspension of The Horizon Howler (previously Fall Sleepover) this fall.

Our decision comes in response to the growing COVID-19 numbers in Alberta. This choice was made to ensure the health and safety of our campers, families, and staff, and was not made lightly. We are continuing to watch this situation carefully and will update you as we move forward with the help and direction of government representatives and health officials.

We are so disappointed that we are not able to see our campers for The Horizon Howler this year. We know that Camp Horizon holds a special place in the hearts of our campers and we were so looking forward to seeing everyone this fall. We continue to look forward to the day when we are able to welcome our campers back to Camp Horizon in a safe way.

Thank you for your patience, kindness, and understanding as we all navigate this experience together. If you have any further questions or concerns, please contact Meghan at the following:
