SUSPENSION OF SPRING AND SUMMER CAMPS AT EASTER SEALS CAMP HORIZON

Dear Campers and Families of Easter Seals Camp Horizon,

We know last year was incredibly hard for some of our campers after we announced the suspension of our camp season which makes it very difficult for us to announce the suspension of the spring and summer camp season once again.

Our decision comes in response to local and provincial restrictions as well as a concern for the wellbeing of our campers. This choice was made to ensure the health and safety of our campers, families, and staff, and was not made lightly. We are continuing to watch this situation carefully and will update you as we move forward with the help and direction of government representatives and health officials.

We are so disappointed that we are not able to see our campers for spring and summer camps this year. We know that Camp Horizon holds a special place in the hearts of our campers and we were so looking forward to seeing everyone and creating incredible memories. We continue to look forward to the day when we are able to welcome our campers back to Camp Horizon in a safe way.

In response to the outpouring of support and commitment our campers have to Camp Horizon, we are excited to announce that we will be offering **VIRTUAL CAMPS!** Stay tuned for more information in the upcoming weeks.

Thank you for your patience, kindness, and understanding as we all navigate this experience together. If you have any further questions or concerns, please contact Meghan at the following:
