Are you passionate about working with Albertans with disabilities and supporting your local community? Do you have what it takes to champion our Vision to Inspire Potential, Build Community and Enrich Lives?

Easter Seals Alberta is a provincial not-for-profit organization with a mission is to provide services that foster inclusion, independence and recreation for individuals with disabilities and medical conditions.

Easter Seals Alberta's McQueen Home in Edmonton is a nine-bedroom home for individuals living with a disability, who, due to their personal care needs, would be unable to live independently without support. Like any home, residents dine together, watch hockey, play board games, provide input on their home, and enjoy many summer barbecues. They are engaged and active members of their community.
