AT EASTER SEALS CAMP HORIZON

Camp Horizon

We offer a rustic setting nestled in the heart of Kananaskis, perfect for a beautifully natural wedding. A camp wedding mixes casual with a taste of elegance. Your guests can experience the beautiful Rocky Mountains and a romantic wedding all on the same day.

Our main hall is warm and inviting, and your personal decor can easily compliment our existing spaces.

Your wedding will be a unique and stunning event that will be remembered by everyone lucky enough to share it with you!

We recommend a site visit to further understand what our facility offers.

Do it your way!

There are endless ways to make your camp wedding an event to remember. Your booking can be packaged according to your needs.

Our venue allows for a variety of options. Camp Horizon provides the perfect setting for an intimate elopement, a micro-wedding, a small wedding or a lavish event.

For your ceremony, we have ample outdoor locations with breathtaking views. Should the weather not cooperate, the main hall offers a beautiful setting around an elegant fireplace. Depending on the size of your guest list, we can offer a combination of seated and standing spaces. If using the indoor ceremony space, we will require your help to flip the room to set up the reception.

Catering

At this time, we are not offering in-house catering or bar services, but we have selected a list of phenomenal vendor recommendations that can suit all tastes. Bookings must arrange stemware for their event to accommodate the beverages being served (i.e. wine glasses, high ball glasses, champagne flutes, etc.). Use of homemade wine, beer, and/or spirits is not permitted, and all persons consuming alcohol must be of legal age (18 years and older). If you'd like to use another vendor, please let us know.

Pre-approved Caterer's:

Fork and Farm Catering

"A dining experience as unique and beautiful as you and your loved one! Build your bespoke menu with a team of award-winning chefs and dedicated event professionals committed to realizing your dream."

Permits and Insurance

All wedding bookings must obtain a Special Event Liquor License and Event Liability Insurance with a liability limit of \$5,000,000. There are many local companies that offer this, however, we recommend:

- [AGLC Liquor License](#)
- [PAL Weddinguard](#)
- [AMA Wedding and Special Event Insurance](#)

Accommodations

We offer rustic bunk-style accommodations with shared bathrooms and shower facilities. The buildings you can choose from are: Wolf's Den, Eagle's Nest, Moose Lodge, Wapiti Lodge, and Venture Lodge. You are welcome to choose individual buildings to reserve for your special day, but note that we cannot guarantee that your wedding party will be the only group on-site that day without a full facility rental. Booking the entire facility includes all lodging options and can accommodate 130 guests. Wedding guests are required to bring bedding and towels.

Host

We will provide a host to ensure your special day runs smoothly during your booking. They will remain on site for the length of your stay to answer any questions while at Camp and/or provide assistance where applicable. It is the responsibility of the booking party to do set up and takedown of the event.
