AT EASTER SEALS CAMP HORIZON

Camp Horizon

We offer a rustic setting nestled in the heart of Kananaskis, perfect for a beautifully natural wedding. A camp wedding mixes casual with a taste of elegance. Your guests can experience the beautiful Rocky Mountains and a romantic wedding all on the same day.

Our main hall is warm and inviting, and your decor can easily complement our existing spaces.

Your wedding will be a unique and stunning event that will be remembered by everyone lucky enough to share it with you!

We recommend a site visit to understand further what our facility offers.

Do it your way!

There are endless ways to make your camp wedding an event to remember. Your booking can be packaged according to your needs.

Our venue allows for a variety of options. Camp Horizon provides the perfect setting for an intimate elopement, a micro-wedding, a small wedding or a lavish event.

For your ceremony, we have ample outdoor locations with breathtaking views. Should the weather not cooperate, the main hall offers a beautiful setting around an elegant fireplace. Depending on the size of your guest list, we can offer a combination of seated and standing spaces.

Use of homemade wine, beer, and spirits is not permitted, and all persons consuming alcohol must be of legal age (18 years and older).

We have 2 bartending staff available for events at \$50/hour.

Permits and Insurance

All wedding bookings must obtain a Special Event Liquor License and Event Liability Insurance with a liability limit of \$5,000,000. There are many local companies that offer this, however, we recommend:

- [AGLC Liquor License](#)
- [PAL Weddingguard](#)
- [AMA Wedding and Special Event Insurance](#)

Accommodations

We offer rustic bunk-style accommodations with shared bathrooms and shower facilities. The buildings you can choose from are Wolf's Den, Eagle's Nest, Moose Lodge, Wapiti Lodge, and Venture Lodge. If you're looking for more rustic accommodations, we also have Yurts and Timber Falls Camping Area (see page 7 for details). You are welcome to choose individual buildings to reserve for your special day, but we cannot guarantee that your wedding party will be the only group on-site that day without a full facility rental. Booking the entire facility includes all lodging options and can accommodate 150 guests. Wedding guests also can rent bed linens through Camp Horizon.

Host

We will provide a host to ensure your special day runs smoothly during your booking. They will remain on site for the length of your stay to answer any questions at Camp and provide assistance where applicable. However, it is the responsibility of the booking party to set up and take down the event.
