The Event

Easter Seals Alberta is thrilled to announce our second annual Litco Law Dancing with the Easter Seals Stars. This event brings together the disability sector, community and business leaders from across Alberta to fundraise in support of children and adults living with disabilities in our province.

Local celebrities and their professional dance partners will showcase their talents on the dance floor at the Easter Seals Alberta dance competition. In front of their friends, family and colleagues, our selected panel of judges and the audience will determine which celebrities will be the stars of the event and earn the coveted title of Top Fundraiser.
