MEET OUR HOME LEAD

HELLO! I'M CORY

My name is Cory Russell and I'm the house manager at McQueen Home. I have spent over 30 years working in the health care field, 20 as a manager. I started my career in Winnipeg, then I felt the pull to move west. So I moved to Edmonton when I was 19 years old and continued my career here. I'm a big sports fan, in particular hockey and football. When the Winnipeg Jets play in Edmonton, I have to cheer very quietly! I love helping people, and I love to see individuals grow and flourish within their lives. Helping others achieve their goals is what gets me out of bed in the morning.
